

Cross View welcomes walkers

Practicalities

We have ample drying space for boots in the hall and kitchen and a washer-dryer for muddy clothes.

Local weather forecasts

Visit <http://news.bbc.co.uk/weather/forecast/353> (for Sheffield) or <http://www.accuweather.com/ukie/index-forecast.asp?postalcode=DE45%201BZ> (for Bakewell).

You can also phone Weathercall on 09068500417. When prompted, you will need to select South Yorkshire and then Sheffield.

Transport

Buses 65, 66 and 173 go through the village. If you are a good map reader, you can extend the range of your walks by getting a bus to Monsal Dale, Bakewell, Castleton, Eyam or Buxton, and walking back across country.

If you would like to walk to your next overnight stop, Buxton Radio Cars will transport your luggage. This is a pre-paid service. Their phone number is 01298 23457.

They also have 2 cabs large enough to transport cycles. This service needs to be booked in advance.

Walking groups in the Peak District

Derbyshire Dales Ramblers Association organise a lot of walks with a different contact person for each one. Details of walks and who to contact can be found in the Peak Advertiser.
